

2021 Weekly Service Pricing

Thank you for choosing **Pool Craft** for maintaining your pool water chemistry, cleaning and equipment maintenance. We offer the following services on a weekly or bi-weekly basis for the duration of the pool season from May to August. Pool Craft recommends that your pool is tested and balanced on a weekly basis. If you select our bi-weekly service, we suggest testing and balancing the pool during the weeks we are not there to prevent unbalanced water chemistry.

Pricing for Weekly & Bi-weekly Maintenance:

Chemical Check Program - \$90.00/Visit + additional chemicals needed

Full Weekly Maintenance Program - \$100.00/Visit (18x36 or smaller) + additional chemicals

Bi-Weekly Maintenance Program - \$100.00/Visit (18x36 or smaller) + any additional chemicals

*****Please note pools larger than 18x36 are priced upon request*****
