

2022 Weekly Service Pricing

Thank you for choosing **Pool Craft** for maintaining your pool water chemistry, cleaning and equipment maintenance. We offer the following services on a weekly basis for the duration of the pool season from April to August. Pool Craft recommends that your pool is tested and balanced on a weekly basis.

Services performed at each scheduled maintenance visit:

- ✓ *Vacuum pool*
- ✓ *Brush walls*
- ✓ *Skim water surface*
- ✓ *Empty skimmer baskets*
- ✓ *Test and balance pool water and record results*
- ✓ *Clean out hair strainer baskets in all pumps*
- ✓ *Backwash filter (if applicable)*
- ✓ *Check heater function*
- ✓ *Add sanitizer to feeder (if applicable)*
- ✓ *Cycle Spa (if applicable)*
- ✓ *Check pool lights operation (if applicable)*
- ✓ *Ensure all gates are locked and closed upon completion.*

Full Weekly Maintenance Program Cost:

\$125 + HST, plus chemicals used/sold **per visit** (this price is for pools 18 x 36 and smaller)

Please note pools larger than 18x36 are priced upon request

DISCLAIMERS:

Pools South of Steeles Ave are subject to an additional \$15/visit.

Prices are subject to change after the Labour Day Holiday Weekend
